Description

Over the years, we've come across several requests such as we don't need anything too big just 2 or 3 bedrooms but it has to have an ocean view, our own private pool, and most importantly. With that in mind, we have developed a new phase, one that provides for a bit of an alternative lifestyle so allow us to introduce the Residences starting at THB 17 M, the Residences continue our tradition of great ocean views, your own private infinity pool, and now a choice of 2 or 3 bedroom floor plans on one level. Construction has commenced and there are an exclusive 18 units only.
