### Description

Each Luxury villa centers around a natural stone tiled swimming pool with a free-flowing floorplan that is capped by a vaulted, teak wood ceiling and framed by concertina glass doors. The transom windows above these glass doors give added light and elegance to the main area of the home. To celebrate the idyllic outdoor ambience the eave has been overextended to create an added lounge or dining area on the terrace which is supported by striking pillars. The grand tile flooring in the front room matches that on the terrace for a seamless transition to the outdoors. The pristinely manicured Bangtao/Laguna neighborhood hosts numerous family oriented activities and is dotted with a plentitude of boutique shops and restaurants along this 8 km stretch of white sand.
