### Description

The project is situated on a 16 Rai gentle slope. Newly designed layout comes from a beautiful and practical architecture to ensure harmony between the internal and external areas. Setting in the center of the villa, the living room overlooks a 10 m long pool with a private terrace. All bedrooms are featured with full length glass windows so the view of the reflective pool is to be enjoyed from every room. Each villa is constructed with high end materials and details finishing, fully equipped with built-in wardrobes as well as an European kitchen that aim to impress.
